

Bulgarian Historical Sites

www.TRCDX.org

The BHS award (Bulgarian Historical Sites) aims to promote cultural and historical heritage in our land which survived through the centuries, withstanding severe weather, devastating wars and acts of plundering. There are more than 6000 remains of fortresses castles, fortifications for defense and protection of the population, tombs, monasteries, bridges and other historical sites in Bulgaria. As references for this award are included only a few of them, only those who have remains giving indications of human activity. This award includes some shrines, monasteries and other similar sites that have helped local population survive the hardships and preserve their national spirit.

The BHS award is issued by the Thracian Rose Club for QSOs with different historical sites of the cultural and historical heritage of Bulgaria. The places and the objects are divided by districts and get their number according to the area in which they are located. The organizers reserve the right to supplement the list of sites and to extend the scope of the award.

Conditions:

1. The award is issued only to licensed radio amateurs and listeners from around the World who provide evidence for held QSOs with stations operating from the announced list of historical sites in Bulgaria after 01.01.2015.

2. Only direct radio communications are accepted for the award.

3. Applications for the award shall be sent in cabrilo or other text format by email to trc_awards@trcdx.org and shall include: band, type of work, date, time in GMT, own radio amateur initial, handed report, activator's initial, accepted report, historical site number (as per the list).
